

Year End Urgency for Small Businesses Thursday, December 8th, 6:30-8:30 PM

Not sure what you need to do before the end of the year? Should you buy equipment, update your insurance, look into virtual office space or buy commercial space—and how do you fund this space when many banks aren't lending? How are your finances—your company, employees, your retirement plan? Then join us for a seminar to help move you forward this year and into 2012!
